January 09, 2008

Attention: Logan Airport Association Members

It's that time of the year again (although we are a little late getting started this year). The Logan Airport Association would like to introduce its first mailing and information packet to get everyone started.

For those of you who do not know about the Logan Airport Association; The Logan Airport Association (LAA), a non-profit organization, was formed in 1983. It is made up of representatives of businesses at the airport, airline managers and companies affiliated with the airport. The following members and their titles.

President- Angelo Grech- East Coast Airport Services

Vice President- Rick Casey Jr., - Precision Cleaning

Secretary- Sherry Ricuperio – Jet Blue.

Treasurer- Bob Costello- Skanska USA Building Inc

Board of Directors- 4 Year Term-Rose Vaccaro

3 Year Term-TBA

2 Year Term-June Cristiano

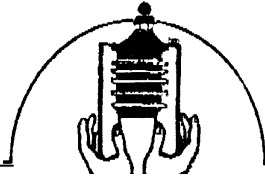

1 Year Term-TBA

Chairman Scholarship Committee- Richard Conboy- CPA/Conboy Associates

Committee Members- Dick Casey/Rick Casey Jr. Scholarship Golf Tournament

Committee \$5000.00 Dinner- Angelo Grech / Rick Casey Jr.

The purpose of this organization/group is to raise funds for workers at the airport who are in dire need of financial help during personal hardships. Recipients of these funds have been families that have been burned out of their homes or loss of all personal belongings caused by flooding. Funds are given to help families through a crisis period or illness/death of head of household. Since its inception, the Logan Airport Association has distributed over \$285,000 in gifts to Logan Airport Families. These unrestricted gifts are usually in the amount of \$1,000.00. This year alone, we have issued 16 gift checks, totaling approximately \$16,000.00.

During the year, the Association holds a number of fundraising activities (Comedy night, Golf Tournament, \$5000.00 Dinner) and periodic meetings for all members to attend and discuss upcoming events and ideas. The yearly dues of \$150.00 include membership to Logan Airport Association and meals for periodic meetings (**Membership/Invoice Form Attached**). We ask that the dues be paid ASAP, but we do accept new members at anytime. We ask the members consist of companies/airlines managers/business of the Logan International Airport. We kindly ask, that companies/airlines/business become members of the Logan Airport Association Family before requesting hardship gift requests.

With the growth of the airport and the airport community, we have seen an increase in personal financial hardship. The Logan Airport Association needs continued participation from the airport airlines, companies and business to join and be there for their employees. The membership contribution and support of fund-raisers is a small price to pay for companies/airlines/business of the airport to show support of their employees. Your help will contribute to the many ways the Logan Airport Association has helped people in need.

For more information about services and financial gifts given by the Logan Airport Association, write Logan Airport Association, P.O. Box 104 Reading, Massachusetts 01867 or contact any member.

We hope to see you at future meetings or events and hope you become a member of the Logan Airport Association (see attached membership/invoice form).

Sincerely,
Logan Airport Association Board
